*Waynesboro, Virginia*

All of us dream--dream fanciful dreams of romance and phantasy or realistic dreams of factuality and truth. However, each of us here at Waynesboro High School has one dream in common--that of our own graduation.

We, the graduating class of 1957, realize that we are only a short step away from the fulfillment of that dream. The 1957 SKYLINE is our attempt at creating a memory book of our high school hopes and dreams, and we hope that as you follow our theme, you, too, will realize that Waynesboro High School is truly a "Doorway To Our Dreams".

As a graduating Senior, Ruth Ann Harmon enjoys the privilege of first lunch.

Waynesboro High School students urge radio listeners to "Keep that phone rining" as they support the March of Dimes on its "Record Party".

Mrs. Bynaker's physics class observes the make up of a gasoline engine in an extensive program of visual education.

## *A Message From Our Principal*

"It is necessary to try to surpass one's self always; this occupation ought to last as long as life. --  
Queen Christiana

The close of another school year is upon us--a time when we can reflect upon the things we have accomplished and decide whether we have used the opportunities of the year to surpass ourselves.

I feel that many of you have. I know that many of our organizations and activities have surpassed their previous best efforts. I have seen many of you surpass yourself and acquire new skills, new understandings, and new appreciations.

As your principal, I have experienced a feeling of sincere pride in your success. I encourage you to continue your efforts to go beyond yourself. Some of you will be in high school again next year; some of you will be in college and some will have entered the business world. Wherever you are, try hard to do better than you have done; make this a habit which will last for all your life.

J.L. Johnson, Principal

## Senior Class of '57

A last we have reached our goal. We are now Seniors. It seems as if it were just yesterday that we entered Waynesboro High School as "the greenest of green freshman." The silly dreams of Sophomores and the jolly dreams of Juniors have come and gone.

We, the Senior Class of 1957, would like to say "many thanks" to our principal, to the faculty, and even to you underclassmen for making these years truly the best years of our lives. You have given us an education, a foundation on which to build our character, and friendship which we shall value forever.

Before us new dreams are beginning to unfold--college, marriage, service to our country, the business and industrial world.

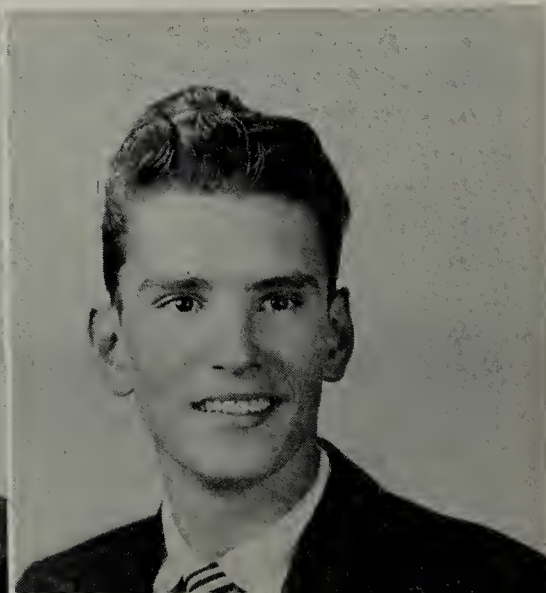

Yet, our Senior memories will remain most the vital and the most wonderful . . . the mad-cap laughter-lightened rehearsals for the best Senior Play ever . . . the close companionship which made the Senior trip wonderful, exciting, but a little sad . . . Finals, Baccalaureate, and the fulfillment of our dreams--graduation.

And so we bid farewell to Waynesboro High School--the doorway to our dreams.

SENIOR OFFICERS: SEATED: Barbara Kidd, Secretary; Judy Givens, President. STANDING: Joanna Wade, Treasurer; Mr. Forbes, Sponsor; Wade Hickam, Vice President.

## Class of '58

We, the Senior Class of nineteen hundred fifty-eight, are about to see the realization of our dreams. It was a long, hard struggle, and many times when we just couldn't see the difference between a relative pronoun and a personal pronoun or understand what the GALLIC WARS were all about, we wondered if we'd ever make the grade. But after much scrambling and even some cramming, here we are at the summit. Three wonderful years lie behind us as; with great expectations, we face our last year.

We finally realized that we were upperclassmen the day our rings arrived. Everyone rushed frantically to and fro exclaiming over his ring. We just couldn't wait to jab our hands into every available face so everyone could admire our choice. At last, we felt as if we were Juniors!

Money was the big question in our busy little brains as we mulled over ideas for THE JUNIOR VARIETY SHOW. What would our theme be? Naturally, we knew that our show would be bigger and better than ever. Money from the show went into the Junior Class kitty for the big fling given annually for the Seniors--THE JUNIOR--SENIOR PROM. Our heads were filled with visions of decorations, bands, tuxes, and dreamy, dreamy formals.

But soon all this will end, and nothing will remain of this year's dreams but happy memories, as we, the class of nineteen hundred fifty-eight, turn to face our Senior year with new dreams.

## *Class of '59*

As the usual short summer came to a close we the new Sophomore Class, once again faced the open doors of Waynesboro High, dreaming of another year of studies, sports, and spaghetti.

This year was a magic year for us because we had already mastered the art of opening lockers and were veterans of one year of high school life.

As we familiarized ourselves with the faculty and new buildings of Waynesboro High, we also took part in many activities of the school.

Many Sophomores saw their Freshman dreams come to life when they became potential stars in the field of sports.

Football realized the dream of many enterprising young Sophomores, and the rugged practice and tough schedule of the football teams did not dim their dreams.

Nor were the dreams of several Sophomore girls dimmed by time, for many of them took active part in hockey. And for a few the fulfillment of a wish was recognized, for some of the sophomore girls made the cheerleading and majorette squads.

As the year progressed we forgot the dragging weeks, and we began to take part in many organizations of the school.

Once again sports reigned high in the dreams of the Sophomores. As basketball season rolled around, many boys and girls visioned themselves on the Varsity and Junior Varsity squads. Mere hopes were forgotten when Sophomore names appeared on the team rosters.

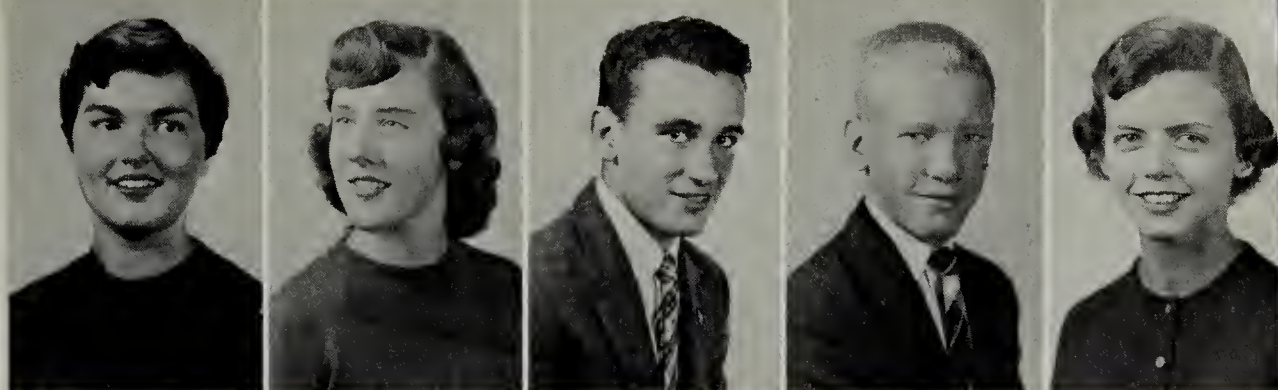

Beautiful harmony and lovely voices were the dreams of some of our energetic sophomores when they joined the Waynesboro High School Band and the Choral Club.

As spring came to Waynesboro High, many Sophomores were dreaming of baseball and track, and by hard work they made these dreams come true.

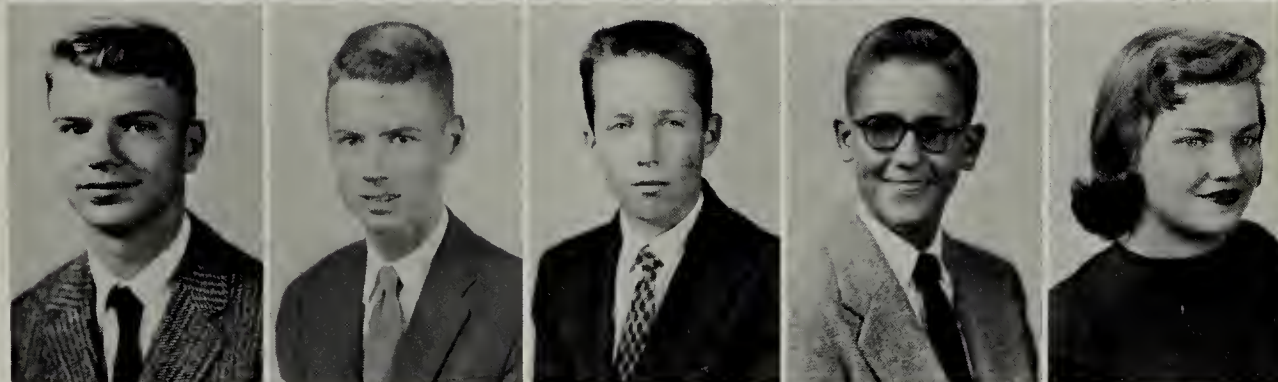

With the aid of Mr. Callison, our class sponsor, we saw the doors close on the school year of 56-57. We, the Sophomores, finally became the upperclassmen of our dreams, and some of our number were fortunate enough to be accepted by the Beta Club and the Science Club.

## *Class of '60*

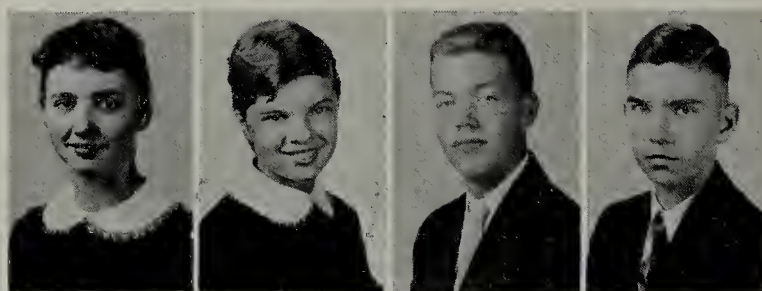

In September 1956 we had our first class as freshmen at Waynesboro High School. We knew now that we belonged. We could enjoy the many privileges that were held in store for us.

Waynesboro High was becoming the doorway to our dreams. One of our dreams of becoming freshmen had finally become reality. As the year progressed we learned more and more about school procedure and how a member of the freshman class should act. Of course, we had expected the initiation that we were to receive, and for the most part it was taken in good spirit.

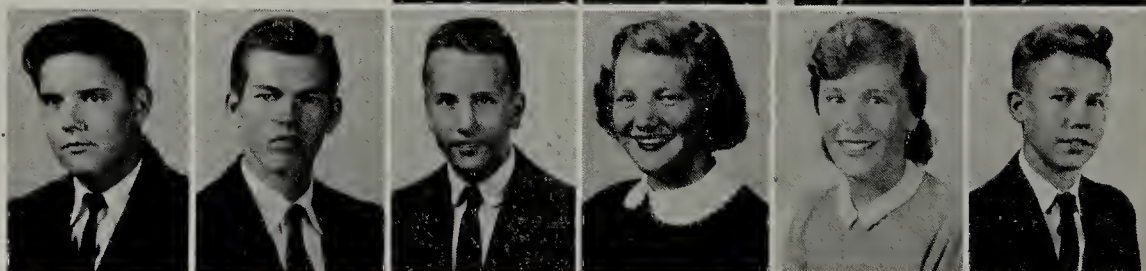

No one was ever left idle. Officers of the class were chosen. There were clubs to join and activities in which to take part. Just when things were beginning to look bad, the new events such as "Twirp Week", numerous dances, and other activities seemed to "pull us through."

Now most of us realize that in the next three years more of our dreams will come true. And we shall remember how much "The Doorway to Our Dreams" has done for us.

# *Eighth Grade*

# Class of '61

Approximately two hundred fifty pupils entered the eighth grade at Waynesboro High School this year. We had trouble getting lockers open, and the changing of classes was new to us at the beginning of the year. We have our own eighth grade clubs and assemblies. This year we are very happy that we can take three high school subjects--Latin, French, and Algebra--so that we can earn extra credits. The pupils entering the eighth grade this year need eighteen credits in order to graduate. We are dreaming of joining high school clubs next year and being able to attend high school assemblies.

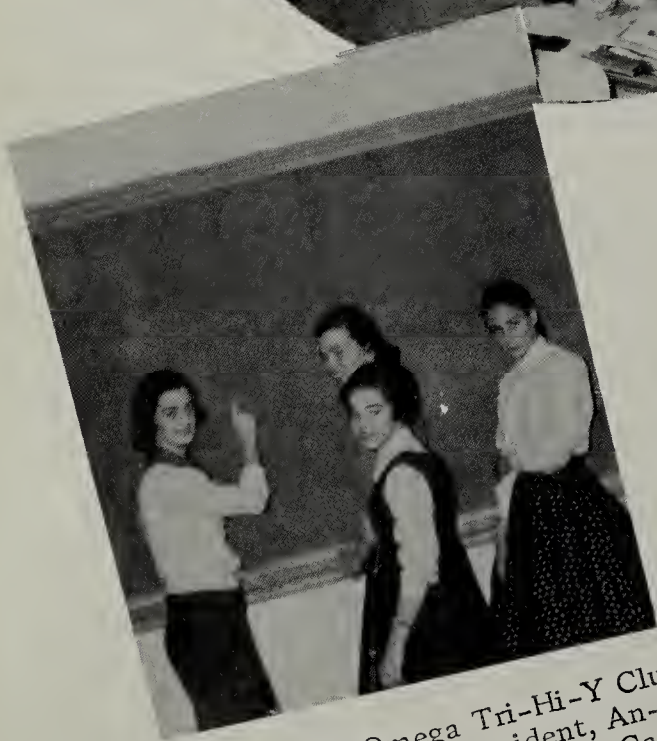

We want to thank our own eighth grade teachers for making our dreams of eighth grade life come true. It was everything we expected, and, as a result, our dreams of high school have become bigger and just a step nearer

## *Student Council*

The Student Cooperative Association is a representative body of students which works with the faculty to better the relations between the students and faculty and, also, to solve problems among the student body. The members of the Student Council are chosen at the beginning of the year by the students, one member and one alternate member from each homeroom. The President, Vice president, Secretary and Treasurer are elected by the entire student body in elections held in May. Selected by the President from either the members of the Council or from the Student Body are the Chaplain, Parliamentarian, Reporter, and the Sergeant-at-Arms.

### *Bushed, Beat, but Breathing . . .*

Our dreams have come true; you are tasting their fulfillment -- "The 1957 Skyline".

Although its preparation was purely pleasure, we dreamed of the night when the bed springs would creak at 10:30 p.m. rather than at 2:30 a.m. Even though we're sleeping again, we can't help feeling that our peaceful nights will once again be interrupted by those well-remembered nightmares--nightmares of . . . tired typists still typing . . . playful people plaguing photographers . . . feature editor, fatigued and frienzied . . . complete crazed copy editor correcting copy, late as usual . . . sly students snooping into our jealously guarded dedication . . . blurred, baggy, and bloodshot eyes . . . cuckoo circulation manager circulating in circles . . . and raving editors rambling at random.

But even nightmares come to an end; and as our dreams become a reality, we realize that the many hours of hard work that went into the creation of the SKYLINE were well spent and will be justly rewarded.

Jackie McKemy and Billy Evers, the Sports Editors, interview Coach Leslie.

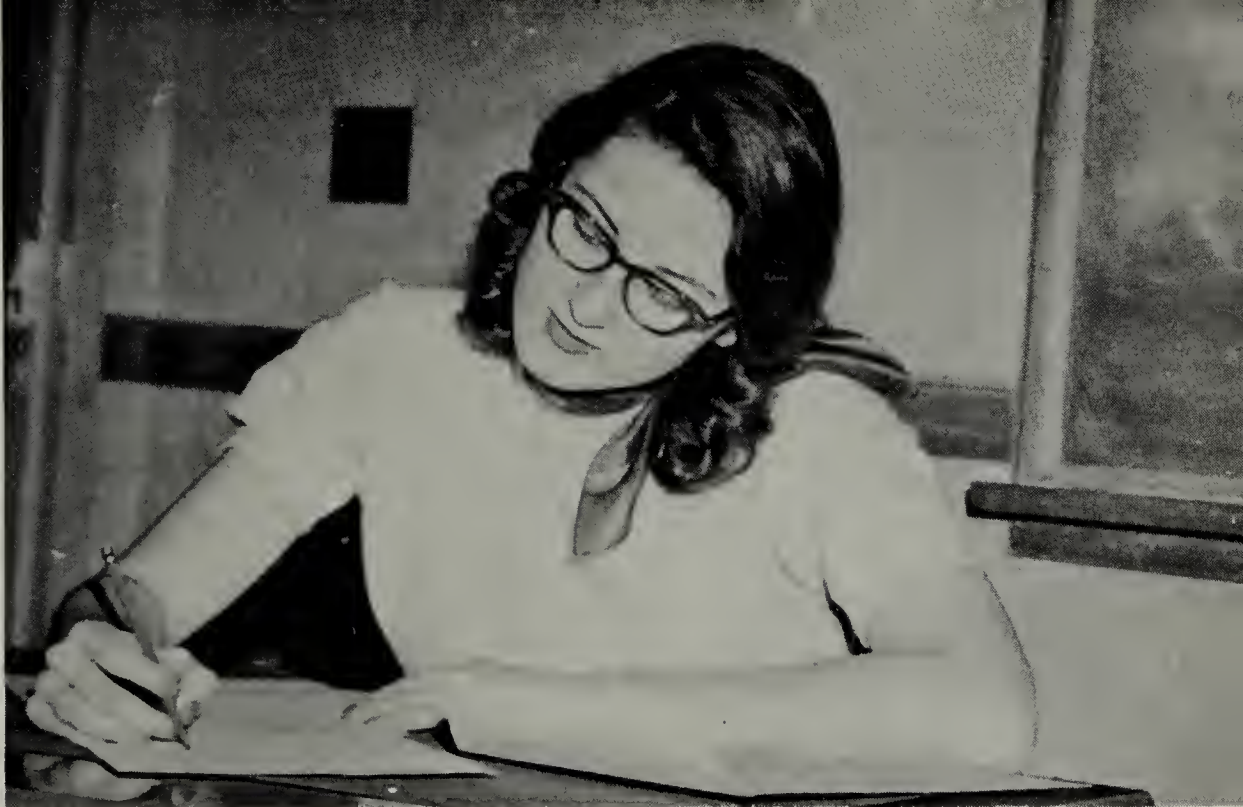

Club Editor, Patty Kerby, hears the Key Club news from John Jones, President of the Club.

Page Editors, Ann Eggleston, Ann Tench (also assistant editor), Wayne Larsen and Mary Taylor Lipscomb discuss the newspaper lay-outs with the Editor-in-Chief.

Circulation Managers Betty Boyd and Malcolm McClung (standing) chat with the exchange editor, Betty Sipe, as she prepares to mail the newspaper to another school.

The Editor-in-chief, Sallie Hickok, in a pensive mood collects her thoughts and tries to decide upon the subject for her next editorial.

## *Alpha Beta Club*

The Alpha Beta Club is composed of students of Waynesboro High School who possess a "B" average in all academic subjects. It promotes leadership, academic achievement, and the preservation of desirable character.

Various club projects for the year have been: ushering for school functions and outside activities, making attractive bulletin boards, conducting several cookie sales in the halls during the lunch periods, and making out the Honor Roll after each six-weeks period. The Betas sponsored a very successful "Twirp Week" with a Sadie Hawkins Dance to end the festivities. The Beta Convention, which was held in Richmond on March 22-24, was well attended by this club. Highlights of the Beta Club year were the tapping of new honor students and the awarding of the Beta Club Scholarship to a deserving Senior.

## *The Key Club*

The objects of the Key Club are: to develop initiative and leadership, to provide experience in living and working together, to serve the school and community, and to prepare boys for useful citizenship.

The Club has had many projects, such as the Christmas Dance, a banquet for their parents, raising money for the convention, and soliciting money for the "March of Dimes". The members collected more than \$250 for this worthy cause.

Most of the members plan to attend the Key Club International Convention which is held in Washington, D.C. this year.

The Key Club is sponsored by the Kiwanis Club, and two members attend their meeting each week.

## Science Club

The Science Club of 1957 was one of the largest in the history of Waynesboro High School. The club sponsored the annual Thanksgiving Dance, which was a huge success. During the Christmas season members erected a Christmas tree in the main lobby of the school and decorated it. Science Club members also explored a mysterious cave in Monterey, Virginia.

The Science Club is an organization for the benefit of students who wish to continue their study of science outside of the classroom. Its members are required to have passed two years of Science in their high school program of study.

## French II Club

The French Club was organized for the first time in our high school in 1956. Its purpose is that of continuing a study of the French language, people, and customs in the extracurricular activities of French students.

During the past two years, the French club has had a French meal, gone to a French movie, sold charm bracelets and key chains, and given two French assemblies. This year Les Joyeux Confreres has started two new French Clubs composed of French I students. The school is constantly reminded of the French Club by the attractive bulletin boards in the halls depicting many customs of the French people.

## *Junior Latin Club*

First year Latin students compose the Junior Latin Club. They strive to increase their knowledge of the fundamentals of Latin as well as to enjoy studying it.

Junior Latin Club members cherish two dreams: making that annual trip to New York and completing that horrid initiation.

This year's initiation saw modern-day Caesars, wearing white togas and laurel wreathes, greeting Senior Latin Club members with "Salve, domina," or "Salve, dominus". However, they were eventually rewarded for their efforts by being made full-fledged members of the Junior Latin Club.

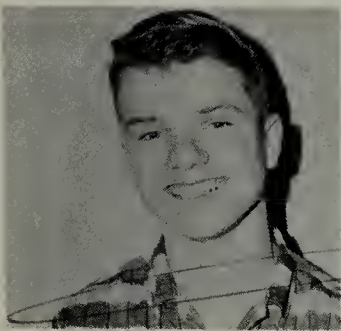

# Senior Latin Club

The Senior Latin Club is composed of second year Latin students. Its main purpose is to encourage the study of Latin in extracurricular activities.

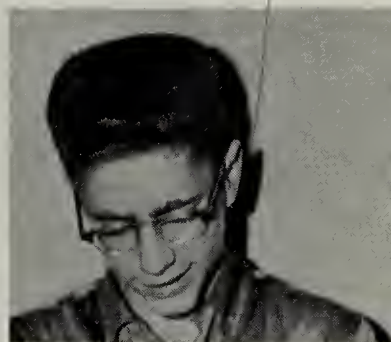

Our local Senior Latin Club is a member of the State and National Junior Classical League. Each year representatives are sent to the State Convention. This year this convention was held in November at Fairfax County High School. At this meeting officers were chosen for the coming year, and aims were decided upon.

In the spring outstanding Latin students are selected to compete in the State Latin Tournament for Latin scholarships. These annual tests are held at the University of Virginia in Charlottesville, Virginia.

The Latin Club's primary project is its annual trip to New York taken by both Latin groups. The funds to carry out this trip come from smaller undertakings such as bake sales, dances, and the sale of W.H.S. booster pins.

The Future Teachers of America Club is a new club that has been formed at Waynesboro High School for the benefit of all would-be slave drivers. Although not considered active until this year, the club was organized at the end of 1955-56 school year.

If you have entered the Jackson Wilson grammar school and have seen scared teachers with familiar faces, you are not seeing things. Members of the FTA have been doing student teaching. Three times a week certain teachers from the first to the seventh grades turn over their classrooms for one hour while our fellow students teach math, English, spelling, history, and music.

## *Future Business Leaders of America*

FBLA Installation Team at Turner Ashby High School.

The Future Business Leaders of America is a national organization for all business education pupils who show a superior record of willingness to co-operate, eagerness to work, and eagerness to be of service to the organization, to the school, and to the community.

The purposes of the club are:

1. To help members become better qualified in the office skills.
2. To stress such employable qualities as promptness, alertness, and dependability.
3. To improve personality in one's life work.
4. To learn the local business practices and needs so that the group may fulfill them and become business leaders in the community.

## *Future Homemakers of America*

The Future Homemakers of America is a national organization of pupils studying homemaking in senior high schools of the United States and Territories. As an integral part of the program of home economics, it offers opportunity for the further development of personal initiative in planning and carrying out activities related to homemaking.

The Future Homemakers of America brings together local, county, and state groups interested in and working toward better home and family living, provides opportunities to share in solving problems important to home life, and sponsors group projects, local, state, and national in scope; it increased opportunities for the development of leadership and intelligent participation so much needed in a democratic society.

The Waynesboro Chapter participates in many home, school, and community activities. Each year the girls model the clothes they have made in a fashion show, presented during an assembly program at the school. Entertaining their parents at an International Dinner is a school activity which the girls enjoy. They also serve refreshments to the teachers at their faculty meeting each month. Many FHA girls volunteer their time and service to the local hospital, working in the hospitality shop and as receptionists. The open house at Christmas time is another occasion to be remembered by parents, teachers, and students.

## *Thespian Society*

The Thespian Society of Waynesboro High School is a club for students who are interested in all the methods of play production. They participate in the direction, production, scenery, and acting capacities of dramatics.

The officers for the year were assisted by the Play Committee, which selected plays for production, and the Program Committee, which planned programs for the meetings.

The student directors and Set Committee worked on the production of a play "The McIntosh Sisters." This play was presented to the student body in an assembly.

## Waynesboro High School Choral Club

Mrs. Griffith  
Director

The Waynesboro High School Chorus started the year off in a fine fashion.

Practice, the most essential part of a chorus, was begun immediately. Officers were elected to meet with Mrs. R.A. Griffith, the instructor, to direct the business which inevitably would come up.

The first real program in which the chorus participated was at a PTA meeting in October. Soon afterwards practice was begun on the Christmas pageant music. The chorus played a very vital part in this pageant, presenting music to suit everyone's taste.

The outstanding performance given by the chorus was the winter concert given with the band. The 50 member chorus did a splendid job in singing religious songs as well as fast-moving ones which made you want to tap your foot.

All-State Chorus was held in February in Staunton with Warren Coleman, Charles Reid, Phyllis Palmer, Sylvia Henkel, Carol Olsen, and Susan Shackelford being selected to attend.

With the year being wrapped up by the chorus's singing for the Graduation, it can well be said that this past year has been one of the most successful in the chorus's history.

# Pep Club

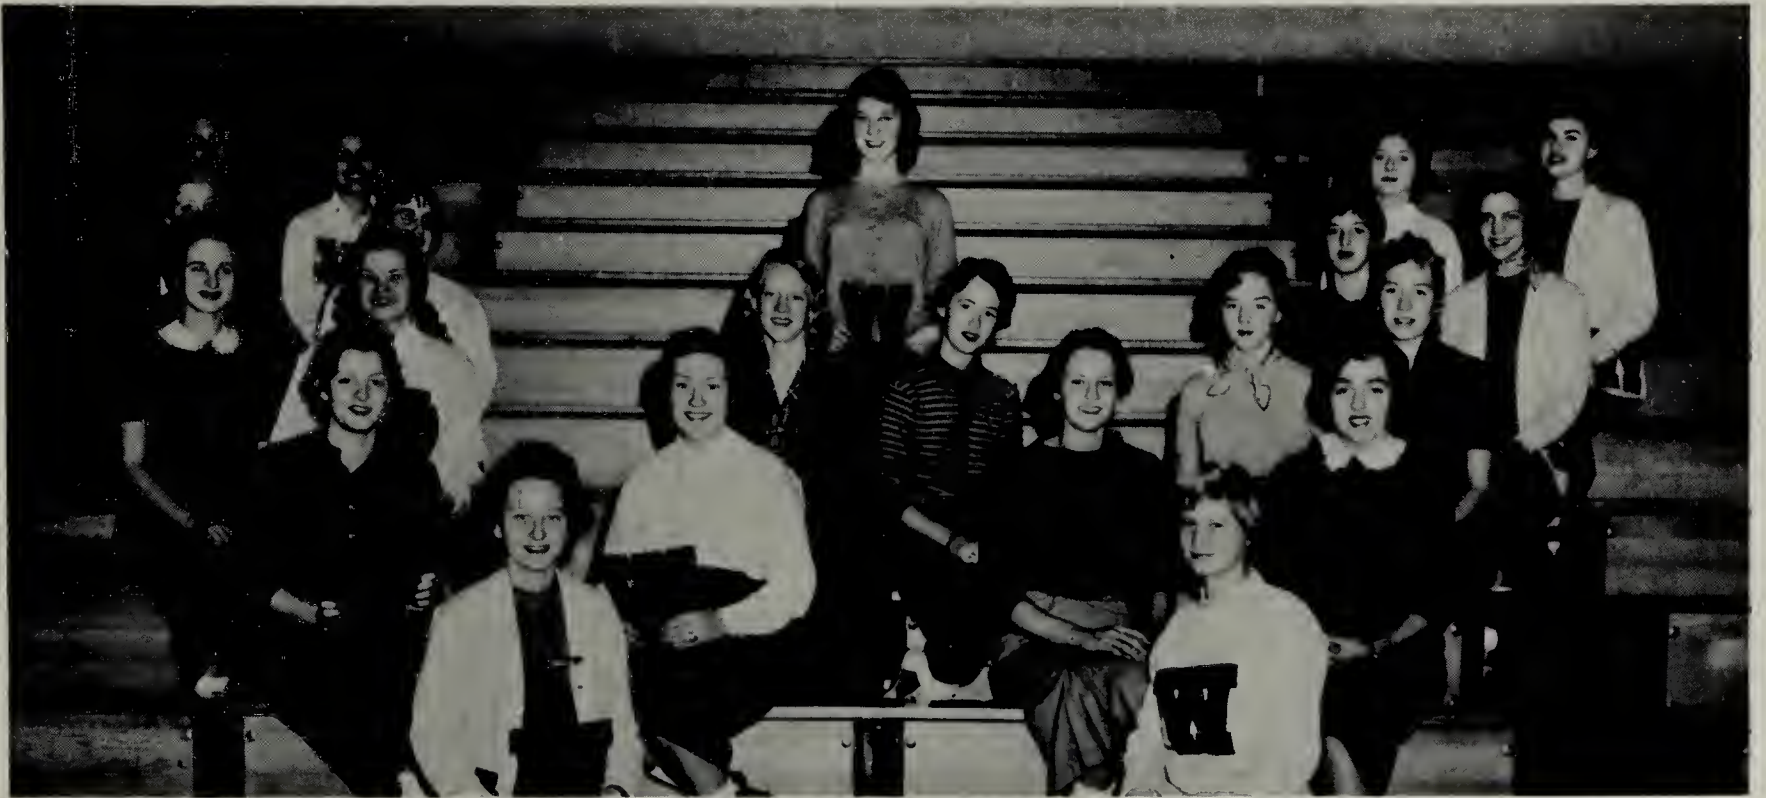

The sole purpose of the Pep Club is to arouse school spirit and to support the team by forming a cheering section at the games during football season. The Pep Club members sit in a bleacher section reserved for them and other students. They join the others to cheer the team.

Several times the members came on the Thursday night before a home game to practice some of the more unfamiliar cheers with the cheerleaders. Other activities included making shakers and selling them at the games, and decorating the goal posts on the afternoon before each home game. The Homecoming Dance, sponsored by the club, was a big success. The Homecoming Queen and her court were chosen from the student body and reigned for the evening. The club completed its activities with the end of football season, but its members lost none of their distinctive "pep". Athletics at Waynesboro High School have ever-staunch supporters in its members.

## *Girls' "W" Club*

The Girls' "W" Club is an athletic organization for girls who have earned varsity momograms in hockey, basketball, tennis, or cheer-leading. They are sponsored by Mrs. Avis Stanley, Hockey Coach and Physical Education instructor.

The main purpose of the club is to encourage good sportsmanship throughout the student body.

Each year new girls are initiated into the club in a spectacular initiation planned by the veteran members of the club.

"W" Club funds are secured by bake sales and the sponsoring of the Annual April Fools' Dance. Dues are also collected from each member.

## *Cam and Wheel Club*

The Cam and Wheel Club affords boys who are interested in automotive design, performance, and mechanics, an opportunity to discuss together topics of interest which may be as modern as a jet-powered hot rod or as obsolete as one of the horseless carriages of the late nineteenth century. Its members endeavor to promote a greater respect toward automobiles and to encourage safer driving.

The programs for 1957 have consisted of talks by authorities on the automobile and slides and movies pertaining to the automotive field. There have also been some outdoor meetings for the purpose of gaining some practical automotive experience.

# *The Safety Club*

The Safety Club endeavors to improve all safety practices and safety conditions in Waynesboro High School. Its members determine the procedure of the fire drills. They hold the doors of the auditorium during assembly programs, and they direct the parking of cars for various athletic events. The Safety Club has a standing committee which is responsible for placing safety posters in strategic positions in the halls.

## *Waynesboro High School Band*

Our school band is truly an organization of which Waynesboro High School can justly be proud. These talented students have brought many hard-won laurels to our school. For three consecutive years, our band has won first place in the Armed Force's Day parade which is held in Harrisonburg. They have gotten the highest rating many, many times at music festivals. At the last festival, they were the only band to receive three "one's" for their performance.

These versatile musicians have shown their talent on the football field as well as on the concert stage. At all the home games, weather permitting, the band puts on an extravagant half-time performance. Not only do they remember the wonderful games, but many fans recall the half-time shows with equal enthusiasm. There were shows featuring Paris, doodles, Waynesboro's industries, and the cheerleaders. Each show was a separate spectacle in itself.

However, none of these honors would have been possible but for the expert guidance of Mr. James G. Lunsford, Mr. Lunsford, more affectionately known to his band members as "Gooch", is the behind-the-scenes power of the W.H.S. band. Without his ability and ingenuity, the high school band would not be the fine organization which it is.

Mr. Lunsford and the band can always be found either playing or "goofing off", as they describe it. But as long as the band continues to play as it has, W.H.S. can be assured of a fine band.

W.H.S. 1	Fairfax Hall	0
W.H.S. 2	St. Anne's	3

As you can see from the box score, the "Stanleymen" produced one of their most outstanding seasons. A lot of effort was put forth by the girls and congratulations are in order for each individual participating in this year's hockey games. Without the constant coaching and assistance of Mrs. Avis Stanley, it is doubtful that the Little Amazons would have pulled through as well. Frances Moyer, a Senior, was selected as captain for the year.

# Girls' Junior Varsity Hockey Team

We are wishing the Baby Amazons, most of whom will become first-string or substitute varsity, the very best of luck in the year '57. We are confident that they will maintain the high standard set by all other varsity teams of W.H.S. They won all of their scheduled games, and the experience they received will be quite helpful in the coming years. Susan Wade captained the Baby Amazons.

# Little Amazons-'57

## Varsity Players Show Fighting Spirit

The Little Amazons, for the first time under the fine coaching of Miss Lucy Coyner, played 12 scheduled games. The season did not turn out too brightly for the W.H.S. girls, but the future holds indefinite possibilities. The players displayed fine sportsmanship and manners in each participating game.

First-string starting line-up--

Frances Moyer--Frannie's rebounding and shooting ability will be greatly missed next year.

Gloria Muse----Gloria's all-around playing has been quite an asset to her teammates.

Joanna Wade---Jo has established herself as both as a playmaker and a scorer.

Noble Goodloe--Noble's determination and hustle has produced a much faster game.

Ann Gorden----Ann's quickness and speed will do much for the Little A's next year.

Virginia Whitesel-This is Ginny's first year on varsity, and her calmness has helped the team considerably.

Waynesboro High School's Baby Amazons began their 1956-1957 basketball season as basketballers who were a little green around the edges. As the season progressed, however, they learned more about basketball; and their won-lost record improved steadily. With practice and continued work, the Baby Amazons of 1956-1957 are expected to put out a very successful varsity basketball team next year.

### Compiles Record of 6-2-2

ROW ONE: John Traynham, Sam Moyer, Ronnie Knicely, Ronnie Terrell, Dorman Wyant, Neil Knicely. ROW TWO: Billy Robertson, Dale Phillips, Bobby Poole, Nicky Marion, Lovell Hughson, Tommy Wright. ROW THREE: Flash Gordon, John Jones, James Kanney, Jim Miller, Bobby Yearout, Tommy Cambell, Gary Givens (manager), Gary West (manager) Johnny Swink (manager).

The 1956 Little Giant football team compiled their best record of many years. With ten more points the Little Giants could have enjoyed an undefeated season. They placed third in the District V Standings. The Little Giants' Bill Brooker, Ronnie Terell, Dale Phillips, and Neil Knicely made the District V all-star team. Next year's team should enjoy much success, for most of the starters and reserves will return.

ROW ONE: Cecil Estes, Jan Marion, Walter Noell, Butch Tyree, Clyde Reid, Richard Harlow, Frankie McDonald, Jay Root, Wayne Cash, Westford Warner. ROW TWO: Dallas Marion, Howard Klutz, Charles Baber, Wayne Lowery, Pete Yearout, Freddie Hasset, George Gillock, Eugene Shifflett, Phillip Harmon, Boyd Thompson. ## *20 in a Row*

The Junior Varsity football team kept alive their victory skein this year. They are now undefeated in 20 straight games stretching over three years from 1954. This year's Little Giant's JV's didn't encounter any difficulty in defeating any of their opponents. In fact no opponent was able to score on our Junior Varsity. Scores of 69 to 0 and 39 to 0 were typical of their play. Most of these boys should supply the Varsity with much talent next year.

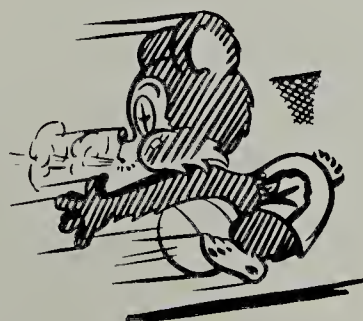

FIRST ROW: Howell Gruver (coach), Doug Larsen, Ronnie Knicely, Poochie Harris, Steve Shirey, Ronnie Via, Freddie Stubblefield, Polk Dillion, E. R. Mowry. SECOND ROW: Lovell Hughson, Tracy Hunter, Tommy Ellington, Walter Noell, Roger Pannell, George Gillock, Buddy Beverage. ABSENT: Johnny Harmon, Pete Yearout, Wayne Lowery.

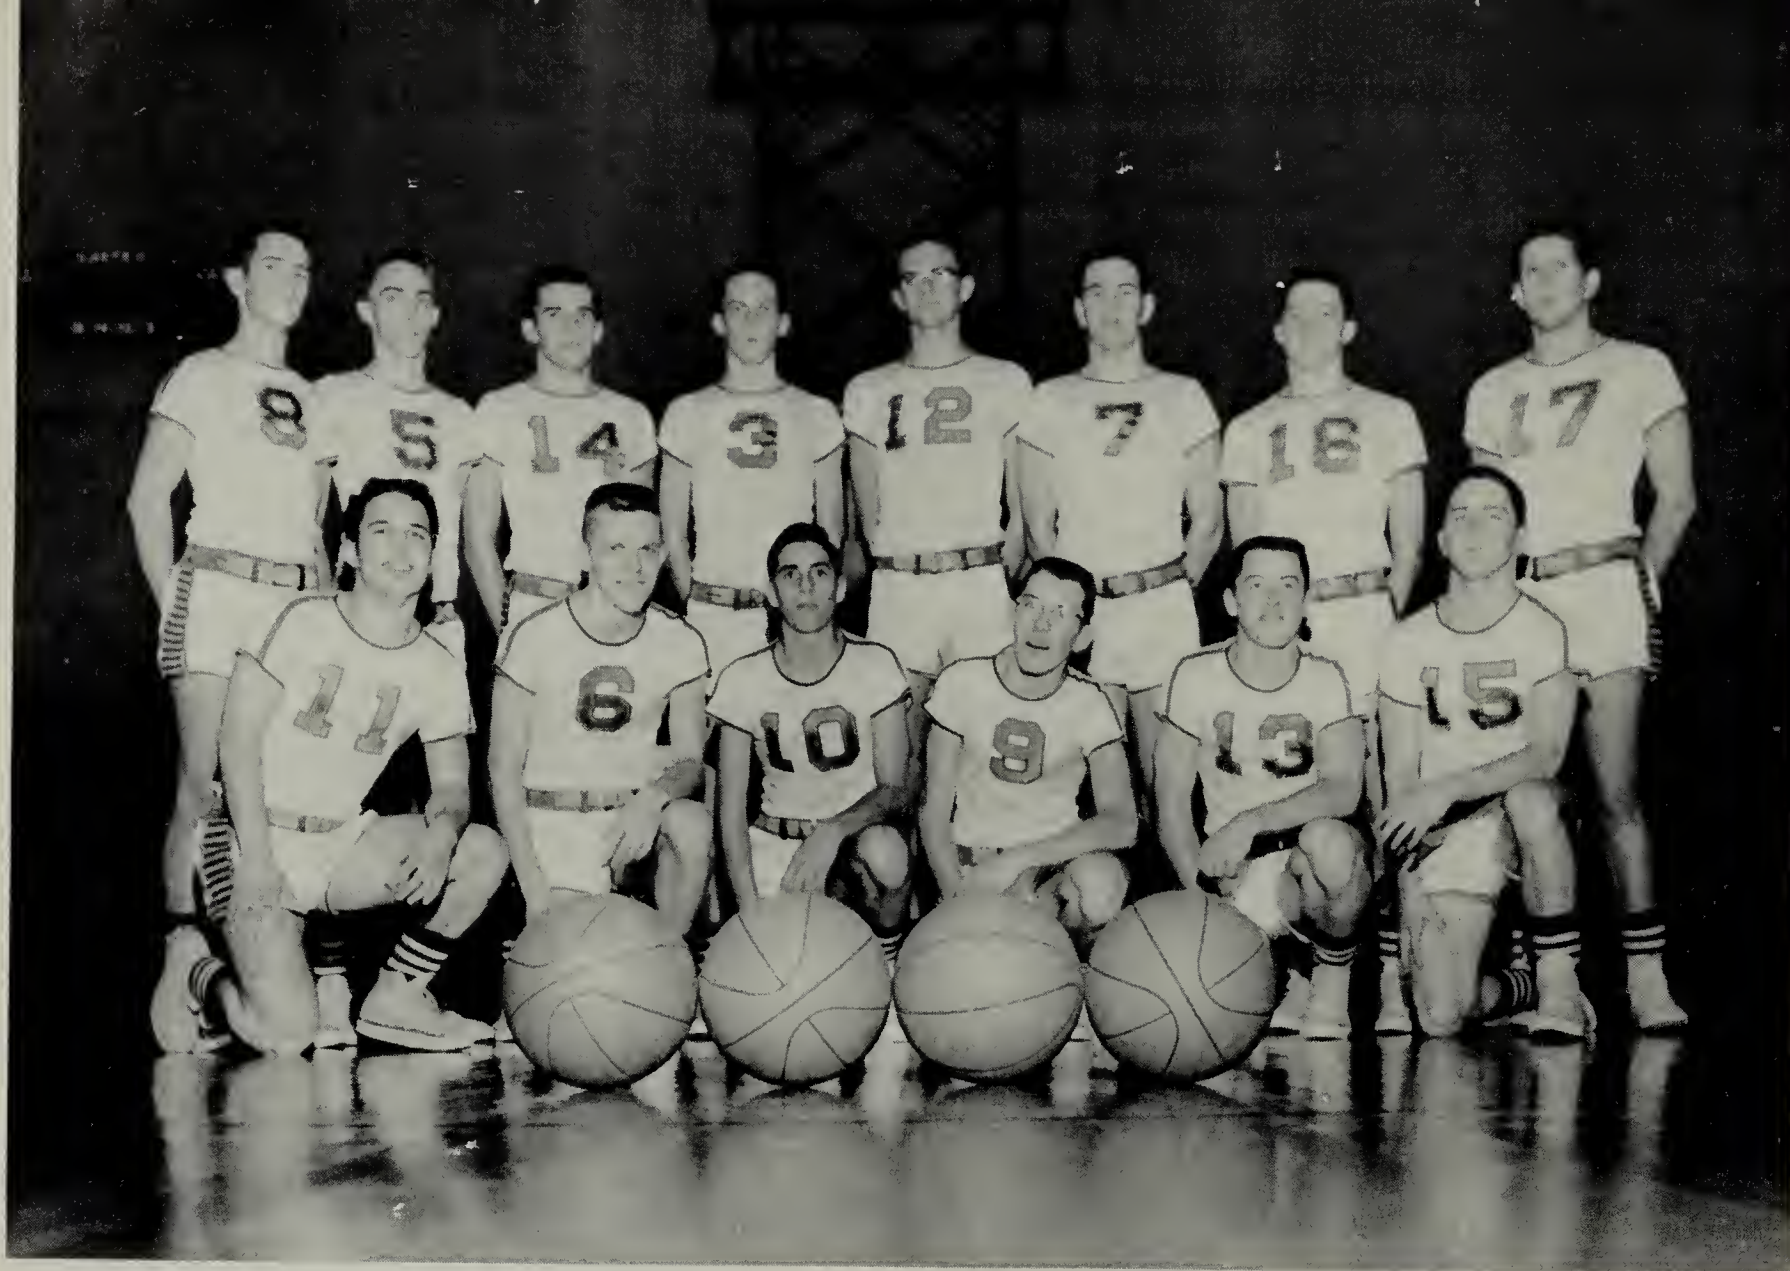

## Undefeated J. V.'s

The Junior Varsity basketball team posted the best record in their history. They were undefeated in nineteen straight games. These boys worked hard all year and deserve more credit than they received. They completely overwhelmed all their opponents and averaged over twenty points more per game than all opposition. If this record means anything for future years, W.H.S. should have teams to be proud of.

## *District V Champs*

Neil Knicely--Guard--Neil's scoring and defensive ability will be greatly missed next year.

Bill Brooker--Forward--Bill's leadership and all-around abilities will also be missed.

Billy Robertson--Forward--Probably the best shooter on the team, "Robby" will be back next year to lead the team.

Flash Gordon--Center--Flash's improvements and height will be gone.

Jimmy Alexion--Guard--The playmaker on the team, Jimmy's talents will be missed next year.

Tommy Wright--Guard--Tommy was always an established threat to the first-string guard position.

Wade Hickam--Guard--A hustler and good ball handler, Wade will also graduate.

Dickie Johnson--Forward--Dickie has over-all abilities. This is his last year.

Howard Klutz--Manager--Howard was a very capable manager and did a good job.

Mr. Rex Downey, Coach. His coaching abilities brought his team through to their great heights.

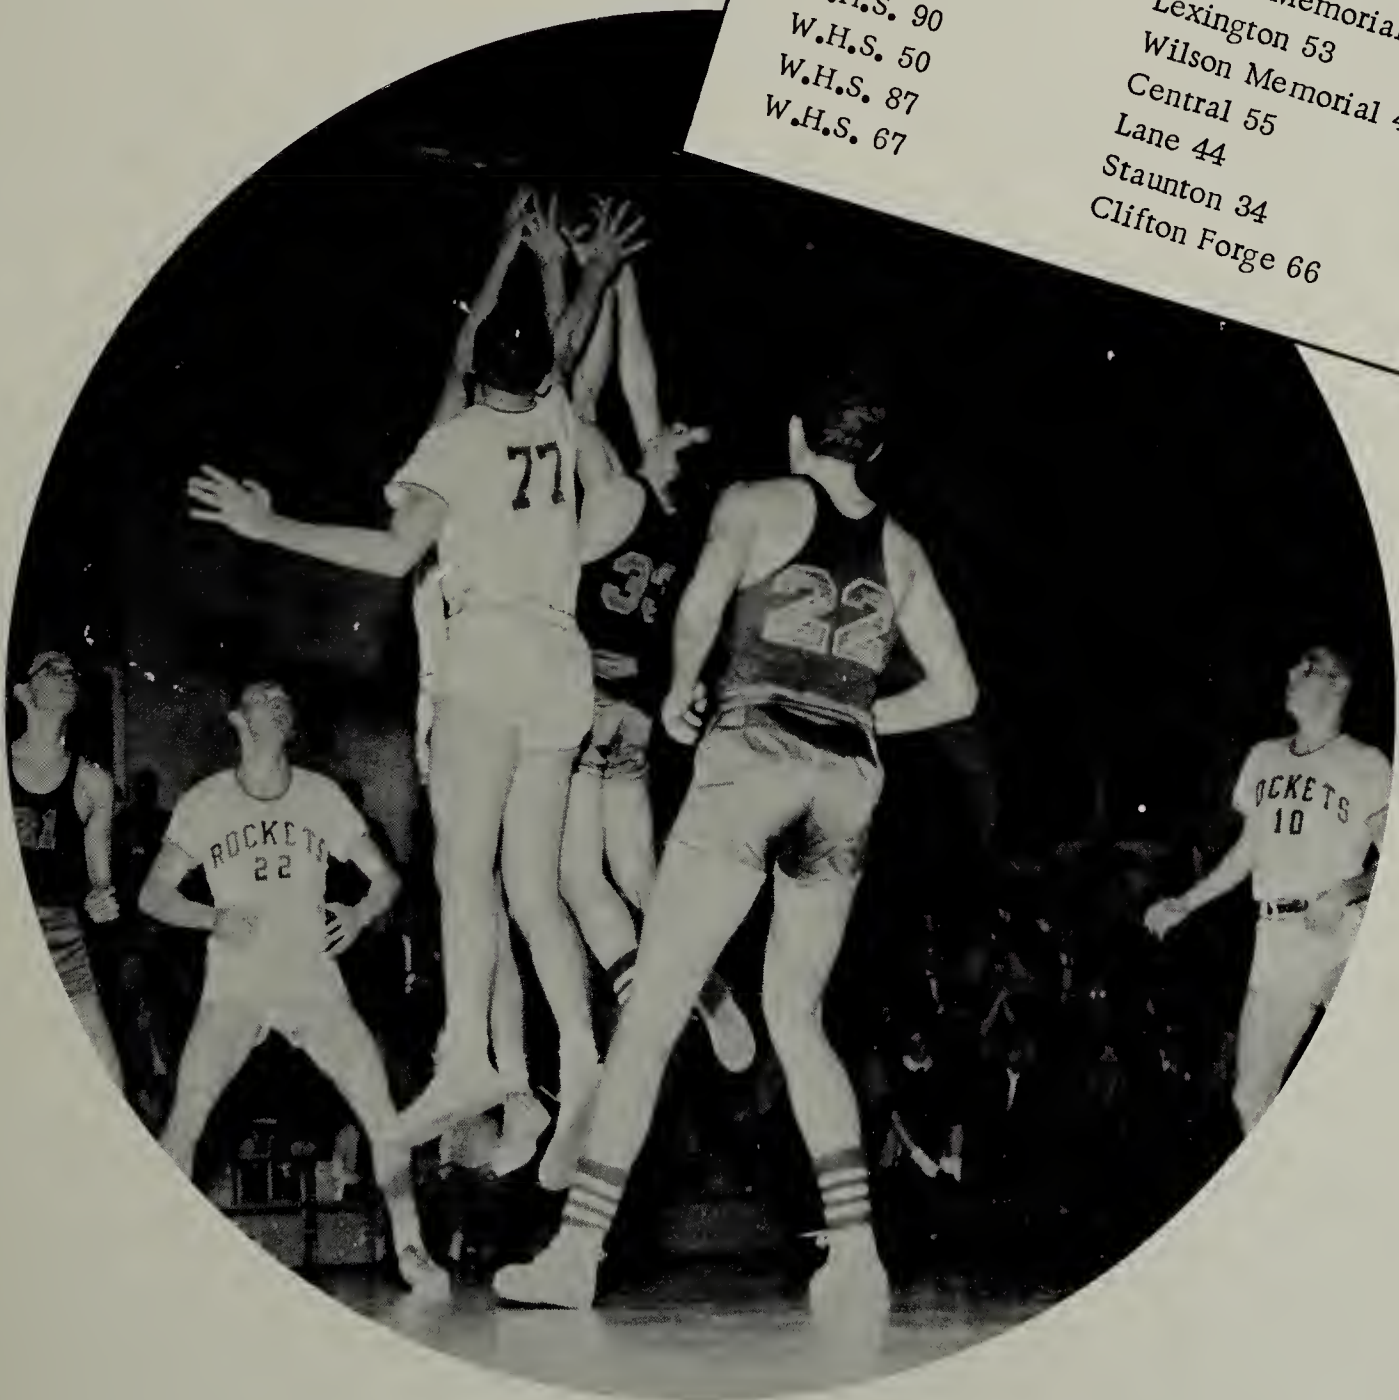

# Little Giants Go Undeclared

The 1956-1957 edition of the Little Giants was possibly the greatest team ever assembled at Waynesboro High School. They raced through 19 straight games unscathed. This record was easily the tops in District V. Billy Robertson, Bill Brooker, Neil Knice-ly, Jimmy Alexion, and Flash Gordon composing the starting five were outstanding throughout the season. The Giants' bench was also considered the strongest in the District. Four regulars from this year's team will not return, but next year's team is expected to hold its own in district play.
